SOCIAL DISTANCING / BARRIERE GESTURES

Rule number one in ALL CAMPING respect a distance of at least one metre between each person.
Wearing the recommended mask in an enclosed area or when queuing (e.g. reception, sanitary, waiting pizza/fries at the snack...)

Home: Wearing the mask recommended during administrative procedures at the reception and bar orders.
Managers and staff will wear a visor or mask.

Bar/Restaurant: a comfortable distance will be observed between each table. Hydro gel available and disinfection of tables and chairs and menus between each customer.

Pool: The regulatory distance is recommended. The number of people in the pool and on the beaches will therefore be limited.
The shower is mandatory.

Health: a sense of traffic is put in place. Hydroalcoholic/soap gel and disinfectant spray are available.
The frequency of cleaning and disinfection will be increased.

Rentals: For more serenity we recommend bringing your duvets, pillows and sheets.
A scrupulous disinfection and ventilation will be programmed between each tenant. This may delay the handing over of the keys.

Game of balls/ping-pong...
We recommend you bring your own games of balls, rackets, ball...
We won't be able to lend.
